# Frosty the Snowman

Frosty the snowman was a  
jolly happy soul  
With a corncob pipe and a  
button nose  
And two eyes made out of  
coal  
Frosty the snowman is a fairy  
tale they say  
He was made of snow but  
the children know  
that he came to life one day  
There must have been some  
magic  
in that old silk hat they found  
For when they placed it on  
his head  
He began to dance around  
Frosty the snowman  
Was alive as he could be  
And the children say he could  
laugh and play  
just the same as you and me  
  
(Thumpetty thump thump  
Thumpety thump thump  
Look at Frosty go  
Thumpetty thump thump  
Thumpety thump thump  
Over the hills of snow)

Frosty the snowman knew  
The sun was hot that day  
So he said  
Let's run and  
We'll have some fun  
Now before I melt away  
Down to the village  
With a broomstick in his hand  
Running here and there all  
around the square  
Saying  
Catch me if you can  
  
(He led them down the  
streets of town  
Right to the traffic cop  
And he only paused a  
moment when  
He heard him holler) "Stop!"  
For Frosty the snow man  
Had to hurry on his way  
But he waved goodbye  
saying  
Don't you cry  
I'll be back again some day  
I'll be back again some day

# Jingle Bells

Jingle bells, jingle bells	A sleighing song tonight
Jingle all the way	Jingle bells, jingle bells
Oh, what fun it is to ride	Jingle all the way
In a one-horse open sleigh	Oh, what fun it is to ride
Jingle bells, jingle bells	In a one-horse open sleigh
Jingle all the way	Oh Jingle bells, jingle bells
Oh, what fun it is to ride	Jingle all the way
In a one-horse open sleigh	Oh, what fun it is to ride
Dashing through the snow (Rudolph)	In a one-horse open sleigh
In a one-horse open sleigh (today)	Jingle bells, jingle bells
O'er the fields we go (Rudolph)	Jingle all the way
Laughing all the way (today)	Oh, what fun it is to ride
Bells on bob-tail ring	In a one-horse open sleigh
Makin' our spirits bright	Jingle bells, jingle bells
What fun it is to ride and sing	Jingle all the way
	Oh, what fun it is to ride
	In a one-horse open sleigh

## Silent Night

Silent night, holy night  
All is calm, all is bright  
Round yon Virgin, Mother and Child  
Holy Infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

Silent night, holy night  
Shepherds quake at the sight  
Glories stream from heaven afar  
Heavenly hosts sing Alleluia  
Christ the Savior is born  
Christ the Savior is born

Silent night, holy night  
Son of God, love's pure light  
Radiant beams from Thy holy face  
With the dawn of redeeming grace  
Jesus Lord, at Thy birth  
Jesus Lord, at Thy birth

## O Holy Night

O Holy night! The stars are brightly shining  
It is the night of our dear Savior's birth  
Long lay the world in sin and error pining  
'Til He appears and the soul felt its worth  
A thrill of hope the weary world rejoices  
For yonder breaks a new and glorious morn  
Fall on your knees; O hear the Angel voices!  
O night divine, O night when Christ was born  
O night, O Holy night, O night divine!

Led by the light of Faith serenely beaming  
With glowing hearts by His cradle we stand  
So led by light of a star sweetly gleaming  
Here come the Wise Men from Orient land  
The King of kings lay thus in lowly manger  
In all our trials born to be our friend  
He knows our need, to our weakness is no stranger  
Behold your King; before Him lowly bend  
Behold your King; before Him lowly bend

Truly He taught us to love one another;  
His law is love and His Gospel is Peace  
Chains shall He break, for the slave is our brother  
And in His name, all oppression shall cease  
Sweet hymns of joy in grateful chorus raise we  
Let all within us Praise His Holy name  
Christ is the Lord; O praise His name forever!  
His power and glory evermore proclaim  
His power and glory evermore proclaim

## Joy to the World

Joy to the world, the Lord has come  
Let earth receive her King  
Let every heart prepare Him room  
And heaven and nature sing, and heaven and nature  
sing  
And heaven, and heaven and nature sing

Joy to the earth, the Savior reigns  
Let men their songs employ  
While fields and floods, rocks, hills, and plains  
Repeat the sounding joy, repeat the sounding joy  
Repeat, repeat the sounding joy

No more let sins and sorrows grow  
Nor thorns infest the ground  
He comes to make His blessings flow  
Far as the curse is found, far as the curse is found  
Far as, far as the curse is found

He rules the world with truth and grace  
And makes the nations prove  
The glories of His righteousness  
And wonders of His love, and wonders of His love  
And wonders, wonders of His love

## Rudolph the Red-Nosed Reindeer

<p>You know Dasher and Dancer And Prancer and Vixen Comet and Cupid And Donner and Blitzen But do you recall The most famous reindeer of all?</p> <p>Rudolph the red-nosed reindeer (reindeer) Had a very shiny nose (like a light bulb) And if you ever saw it (saw it) You would even say it glows (like a flashlight) All of the other reindeer (reindeer) Used to laugh and call him names (like Pinocchio) They never let poor Rudolph (Rudolph) Play in any reindeer games (like Monopoly)</p>	<p>Then one foggy Christmas Eve Santa came to say (Ho Ho Ho) Rudolph with your nose so bright Won't you guide my sleigh tonight? Then how the reindeer loved him (loved him) As they shouted out with glee (yippee) "Rudolph the red-nosed reindeer (reindeer) You'll go down in history!" (like Columbus)</p>

## **O Christmas Tree**

O Christmas tree, o Christmas tree  
Thy leaves are so unchanging  
O Christmas tree, o Christmas tree  
Thy leaves are so unchanging  
Not only green when summer's here  
But also when it's cold and drear  
O Christmas tree, o Christmas tree  
Thy leaves are so unchanging

O Christmas tree, o Christmas tree  
Such pleasure do you bring me  
O Christmas tree, o Christmas tree  
Such pleasure do you bring me  
For every year this Christmas tree  
Brings to us such joy and glee  
O Christmas tree, o Christmas tree  
Such pleasure do you bring me

O Christmas tree, o Christmas tree  
You'll ever be unchanging  
A symbol of goodwill and love  
You'll ever be unchanging  
Each shining light, each silver bell  
No one alive spreads cheer so well  
O Christmas tree, o Christmas tree  
You'll ever be unchanging

## Sleigh Ride

Just hear those sleigh bells  
jingling

Ring tingle tingling too

Come on, it's lovely weather

For a sleigh ride together  
with you

Outside the snow is falling

And friends are calling, "Yoo  
hoo"

Come on, it's lovely weather

For a sleigh ride together  
with you

Our cheeks are nice and rosy

And comfy and cosy are we

We're snuggled up together

Like two birds of a feather  
would be

Let's take the road before us

And sing a chorus or two

Come on, it's lovely weather

For a sleigh ride together  
with you

Our cheeks are nice and rosy

And comfy and cosy are we

We're snuggled up together

Like two birds of a feather  
would be

Let's take a road before us

And sing a chorus or two

Come on, it's lovely weather

For a sleigh ride together  
with you

## Rockin' Around The Christmas Tree

<p>Rockin' around the Christmas tree</p> <p>At the Christmas party hop</p> <p>Mistletoe hung where you can see</p> <p>Every couple tries to stop</p> <p>Rockin' around the Christmas tree</p> <p>Let the Christmas spirit ring</p> <p>Later we'll have some pumpkin pie</p> <p>And we'll do some caroling</p> <p>You will get a sentimental feeling</p> <p>When you hear</p> <p>Voices singing let's be jolly</p> <p>Deck the halls with boughs of holly</p>	<p>Rockin' around the Christmas tree</p> <p>Have a happy holiday</p> <p>Everyone dancing merrily</p> <p>In the new old fashioned way</p> <p>You will get a sentimental feeling</p> <p>When you hear</p> <p>Voices singing let's be jolly</p> <p>Deck the halls with boughs of holly</p> <p>Rockin' around the Christmas tree</p> <p>Have a happy holiday</p> <p>Everyone dancing merrily</p> <p>In the new old fashioned way</p>

The Christmas Song  
Chestnuts roasting on an open fire  
Jack Frost nipping at your nose  
Yuletide carols being sung by a choir  
And folks dressed up like Eskimos  
Everybody knows a turkey and some mistletoe  
Help to make the season bright  
Tiny tots with their eyes all aglow  
Will find it hard to sleep tonight  
They know that Santa's on his way  
He's loaded lots of toys and goodies on his sleigh  
And every mother's child is gonna spy  
To see if reindeer really know how to fly

# Let It Snow! Let It Snow! Let It Snow!

Oh, the weather outside is frightful	And the fire is slowly dying
But the fire is so delightful	And, my dear, we're still goodbying
And since we've no place to go	But as long as you'd love me so
Let it snow! Let it snow! Let it snow!	Let it snow! Let it snow and snow!
Man it doesn't show signs of stopping	When we finally kiss goodnight
And I brought me some corn for popping	How I'll hate going out in the storm
The lights are turned way down low	But if you really grab me tight
Let it snow! Let it snow!	All the way home I'll be warm
When we finally kiss goodnight	Oh, the fire is slowly dying
How I'll hate going out in the storm	And, my dear, we're still goodbying
But if you'll really hold me tight	But as long as you'd love me so
All the way home I'll be warm	Let it snow, let it snow, let it snow

## Holly Jolly Christmas

Have a holly jolly Christmas	Oh, by golly
It's the best time of the year	Have a holly jolly Christmas this year
I don't know if there'll be snow	Have a holly jolly Christmas
But have a cup of cheer	And when you walk down the street
Have a holly jolly Christmas	Say hello to friends you know
And when you walk down the street	And everyone you meet
Say hello to friends you know	Oh, ho, the mistletoe
And everyone you meet	Hung where you can see
Oh, ho, the mistletoe	Somebody waits for you
Hung where you can see	Kiss her once for me
Somebody waits for you	Have a holly jolly Christmas
Kiss her once for me	And in case you didn't hear
Have a holly jolly Christmas	Oh, by golly
And in case you didn't hear	Have a holly jolly Christmas this year

## White Christmas

I'm dreaming of a white  
Christmas

Just like the ones I used  
to know

Where the treetops  
glisten

And children listen

To hear sleigh bells in  
the snow

I'm dreaming of a white  
Christmas

With every Christmas  
card I write

May your days be merry  
and bright

And may all your  
Christmases be white

I'm dreaming of a white  
Christmas

Just like the ones I used  
to know

Where the treetops  
glisten

And children listen

To hear sleigh bells in  
the snow

I'm dreaming of a white  
Christmas

With every Christmas  
card I write

May your days be merry  
and bright

And may all your  
Christmases be white

## It's the Most Wonderful Time of the Year

It's the most wonderful time of the year	There'll be much mistletoeing
With the kids jingle belling	And hearts will be glowing when loved ones are near
And everyone telling you, "Be of good cheer!"	It's the most wonderful time of the year
It's the most wonderful time of the year	There'll be parties for hosting
It's the hap-happiest season of all	Marshmallows for toasting
With those holiday greetings and gay happy meetings	And caroling out in the snow
When friends come to call	There'll be scary ghost stories
It's the hap-happiest season of all	And tales of the glories of Christmases long, long ago
There'll be parties for hosting	It's the most wonderful time of the year
Marshmallows for toasting	There'll be much mistletoeing
And caroling out in the snow	And hearts will be glowing when loved ones are near
There'll be scary ghost stories	It's the most wonderful time
And tales of the glories of Christmases long, long ago	Yes, the most wonderful time
It's the most wonderful time of the year	Oh, the most wonderful time of the year

# Have Yourself a Merry Little Christmas

Have yourself a merry little christmas

Let your heart be light

Next year all our troubles will be out of sight

Have yourself a merry little christmas

Make the yuletide gain

Next year all our troubles will be miles away

Once again as in olden days

Happy golden days of yore

Faithfull friends who are near to us

Will be dear to us

Once more

Somedays soon we all will be together

If the fates allow

Until then we'll have tomorrows through somehow

So have yourself a merry little christmas, now

# It's Beginning to Look a Lot Like Christmas

It's beginning to look a lot like Christmas	One in the park as well
Everywhere you go	The sturdy kind that doesn't mind the snow
Take a look in the five and ten	It's beginning to look a lot like Christmas (ha-ha-ha)
Glistening once again	Soon the bells will start
With candy canes and silver lanes aglow	And the thing that will make them ring
It's beginning to look a lot like Christmas	Is the carol that you sing
Toys in every store	Right within your heart
But the prettiest sight to see	A pair of hop-along boots and a pistol that shoots
Is the holly that will be	Is the wish of Barney and Ben
On your own front door	Dolls that will talk and will go for a walk
A pair of hop-along boots and a pistol that shoots	Is the hope of Janice and Jen
Is the wish of Barney and Ben	And Mom and Dad can hardly wait for school to start again
Dolls that will talk and will go for a walk	A-ha-ha-ha-ha-ha-ha-ha-ha-ha-ha
Is the hope of Janice and Jen	It's beginning to look a lot like Christmas
And Mom and Dad can hardly wait for school to start again	Soon the bells will start
It's beginning to look a lot like Christmas	And the thing that will make them ring
Everywhere you go	Is the carol that you sing
Now there's a tree in the Grand Hotel	Right within your heart

# You're a Mean One, Mr. Grinch

You're a mean one, Mr. Grinch	Then the Grinch said, "Giddap!"
You really are a heel	And the sleigh started down
You're as cuddly as a cactus	Toward the homes where the Whos Lay asnooze in their town
You're as charming as an eel, Mr. Grinch	All their windows were dark, no one knew he was there
You're a bad banana	All the Whos were all dreaming sweet dreams without care
With a greasy black peel	When he came to the first little house on the square
You're a monster, Mr. Grinch	"This is stop number one," the old Grinchy Claus hissed
Your heart's an empty hole	And he climbed to the roof, empty bags in his fist
Your brain is full of spiders	Then he slid down the chimney, a rather tight pinch
You've got garlic in your soul, Mr. Grinch	But, if Santa could do it, then so could the Grinch
I wouldn't touch you	He got stuck only once, for a minute or two
With a thirty-nine-and-a-half foot pole	Then he stuck his head out of the fireplace flue
"All I need is a reindeer" The Grinch looked around	Where the little Who stockings hung all in a row
But, since reindeer are scarce, there was none to be found	"These stockings," he grinned, "are the first things to go!"
Did that stop the old Grinch? No! The Grinch simply said	Then he slithered and slunk, with a smile most unpleasant
"If I can't find a reindeer, I'll make one instead!"	Around the whole room, and he took every present!
So he called his dog, Max, then he took some red thread	Pop guns! Pamboolers, pantoochers and drums!
And he tied a big horn on the top of his head	Checkerboards! Bizzlebings, popcorn and plums!
Then he loaded some bags and some old empty sacks	And he stuffed them in bags, then the Grinch, very nimble
On a ramshackle sleigh and he whistled for Max	Stuffed all the bags, one by one, up the chimney!

# Here Comes Santa Claus

Here comes Santa Claus	That makes everything right
Here comes Santa Claus	So fill your hearts with Christmas cheer
Right down Santa Claus Lane	'Cause Santa Claus comes tonight
Vixen and Blitzen and all his reindeer, pullin on the reins	Here comes Santa Claus
Bells are ringin', children singin', all is merry and bright	Here comes Santa Claus
So hang your stockings and say your prayers	Right down Santa Claus Lane
'Cause Santa Claus comes tonight	He'll come around when chimes ring out that it's Christmas morn' again
Here comes Santa Claus	Peace on Earth will come to all if we just follow the light
Here comes Santa Claus	So let's give thanks to the Lord above
Right down Santa Claus Lane	'Cause Santa Claus comes tonight
He's got a bag that's filled with toys for boys and girls again	Here comes Santa Claus
Hear those sleigh bells jingle jangle, oh what a beautiful sight	Here comes Santa Claus
So jump in bed and cover your head, 'cause Santa Claus comes tonight	Right down Santa Claus Lane
Here comes Santa Claus	Vixen and Blitzen and all his reindeers pulling on the reins
Here comes Santa Claus	Bells are ringing, children singing, all is merry and bright
Right down Santa Claus Lane	Hang your stockings and say your prayers
He doesn't care if you're rich or poor, he loves you just the same	'Cause Santa Claus comes tonight
Santa Claus knows we're all God's children	

# Winter Wonderland

Sleigh bells ring, are you listenin'?	As we dream by the fire
In the lane, snow is glistenin'	To face unafraid, the plans that we made
A beautiful sight, we're happy tonight	Walking in a winter wonderland
Walking in a winter wonderland	In the meadow we can build a snowman
Gone away is the blue bird	And pretend that he's a circus clown
Here to stay is the new bird	We'll have lots of fun with Mr. Snowman
He sings a love song, as we go along	Until the other kiddies knock him down
Walking in a winter wonderland	When it snows, ain't it thrillin'
In the meadow we can build a snowman	Though you know kids are chillin'?
Then pretend that he is Parson Brown	We'll frolick and play, the Eskimo way
He'll say, "Are you married?", We'll say, "No man"	Walking in a winter wonderland (oh-oh-oh)
"But you can do the job when you're in town"	Walking in a winter wonderland (oh-oh-oh)
Later on we'll conspire	Walking in a winter wonderland (oh-oh-oh)

# I Want a Hippopotamus for Christmas

I want a hippopotamus for Christmas	I only like hippopotamuses
Only a hippopotamus will do	And hippopotamuses like me too
Don't want a doll, no dinky Tinker Toy	Mom says the hippo would eat me up, but then
I want a hippopotamus to play with and enjoy	Teacher says a hippo is a vegetarian
I want a hippopotamus for Christmas	There's lots of room for him in our two-car garage
I don't think Santa Claus will mind, do you?	I'd feed him there and wash him there and give him his massage
He won't have to use our dirty chimney flue	I can see me now on Christmas morning
Just bring him through the front door	Creeping down the stairs
That's the easy thing to do	Oh, what joy and what surprise
I can see me now on Christmas morning	When I open up my eyes
Creeping down the stairs	To see a hippo hero standing there
Oh, what joy and what surprise	I want a hippopotamus for Christmas
When I open up my eyes	Only a hippopotamus will do
To see a hippo hero standing there	No crocodiles or rhinoceroses
I want a hippopotamus for Christmas	I only like hippopotamuses
Only a hippopotamus will do	And hippopotamuses like me too
No crocodiles, no rhinoceroses	

## Santa Claus is Coming to Town

You better watch out, you better not cry	See, you better watch out, you better not cry
Better not pout, I'm telling you why	Better not pout, I'm telling you why
Santa Claus is comin' to town	Santa Claus is comin' to town, to town
He's making a list, and checking it twice	He's making a list, and he's checking it twice
Gonna find out who's naughty and nice	He's gonna find out who's naughty and nice
Santa Claus is comin' to town	Santa Claus is comin' to town
He sees you when you're sleepin'	He sees you when you're sleepin'
He knows when you're awake	He knows when you're awake
He knows if you've been bad or good	He knows if you've been bad or good
So be good for goodness' sake	So be good for goodness' sake
Oh, you better watch out, you better not cry	Oh, you better watch out, you better not cry
Better not pout, I'm tellin' you why	Better not pout, I'm tellin' you why
Santa Claus is comin' to town	Santa Claus is comin' to town!

# Baby It's Cold Outside

I really can't stay (but baby, it's cold outside)	I simply must go (but baby it's cold outside)
I've got to go away (but baby, it's cold outside)	The answer is no (but baby it's cold outside)
This evening has been (been hoping that you'd drop in)	The welcome has been (how lucky that you dropped in)
So very nice (I'll hold your hands, they're just like ice)	So nice and warm (look out the window at this dawn)
My mother will start to worry (beautiful, what's your hurry?)	My sister will be suspicious (gosh, your lips looks delicious)
And father will be pacing the floor (listen to the fireplace roar)	My brother will be there at the door (waves upon the tropical shore)
So really I'd better scurry (beautiful, please don't hurry)	My main aunt's mind is vicious (gosh, your lips are delicious)
Well maybe just a half a drink more (put some records on while I pour)	But maybe just a cigarette (never saw such beauty before)
The neighbours might think (baby, it's bad out there)	I gotta get home (but baby you'd freeze out there)
Say, what's in this drink? (No cabs to be had out there)	Say, lend me a coat (it's up to your knees out there)
I wish I knew how (your eyes are like starlight now)	You've really been great (I thrill when you touch my hand)
To break this spell (I'll take your hat, your hair looks swell)	But don't you see? (How can you do this thing to me?)
I ought to say "No, no, no sir" (mind if I move in closer?)	There's bound to be talk tomorrow (think of my lifelong sorrow)
At least I'm gonna say that I tried (what's the sense of hurtin' my pride?)	At least there'll be plenty implied (if you caught pneumonia and died)
I really can't stay (baby, don't hold out)	I really can't stay (get over that old doubt)
Ah but it's cold outside (baby, it's cold outside)	Baby, it's cold, baby, it's cold outside

## All I Want for Christmas is My Two Front Teeth

All I want for Christmas	Merry Christmas
Is my two front teeth	It seems so long
My two front teeth	Since I could say
My two front teeth	Sister Susie sitting On a thistle
Gee	Gosh, oh gee
If I could only have	How happy I'd be
My two front teeth	If I could
Then I could wish you	Only whistle
Merry Christmas	All I want for Christmas
It seems so long	Is my two front teeth
Since I could say	Two front teeth
Sister Susie sitting On a thistle	Two front teeth
Gosh, oh gee	Gee
How happy I'd be	If I could only have
If I could	My two front teeth
Only whistle	Then I could wish you

All I want for Christmas	Merry Christmas
Is my two front teeth	It seems so long
My two front teeth	Since I could say
My two front teeth	Sister Susie sitting On a thistle
Gee	Gosh, oh gee
If I could only have	How happy I'd be
My two front teeth	If I could
Then I could wish you	Only whistle
Merry Christmas	All I want for Christmas
All I want for Christmas	Is my two front teeth
Is my two front teeth	Two front teeth
My two front teeth	My two front teeth
My two front teeth	Gee
Gee	If I could only have
If I could only have	My two front teeth
My two front teeth	Then I could wish you
Then I could wish you	Merry Christmas
